

Marketplace Content

PackageDeveloper Handoff

Prepared by: Linda | Date: May 17, 2026 | Version: 1.0

Document Type: Internal UI Copy Reference | Audience: Development Team

This document contains all updated UI copy for the marketplace app, organized by screen and component. All pricing reflects the current subscription tiers: **\$1.99/month** or **\$14.99/year (save 37%)**. Tone is warm, simple, and friendly throughout. Use this as the **single source of truth** for developer implementation.

Section 1 - Pricing Page

Screen Title: Pricing Page

Headline: Pick the plan that works for you.

Subheadline: Sell more, stress less — upgrade anytime.

Plan 1 - Monthly

Element	Copy

Shared Links & Footer

Already subscribed link: You're already a member 🎉

Restore purchases link: Restore Purchase

Footer note: Subscriptions automatically renew. Cancel anytime in your app store settings. Prices shown in USD.

Section 2 - Frequently Asked Questions

Screen Title: Frequently Asked Questions

Question	Answer
Q1: What does the subscription include?	With a subscription, you can list unlimited items, get a Seller badge on your profile, and access exclusive features like promoted listings. It's the best way to sell more, faster.

Question	Answer
Q2: How much does it cost?	You can subscribe for just \$1.99/month or save 37% with our yearly plan at \$14.99/year. Cancel anytime.
Q3: Can I try it before I subscribe?	Yes! You can browse and buy for free. When you're ready to start selling, choose the plan that works best for you.
Q4: How do I cancel my subscription?	You can cancel anytime through your App Store or Google Play account settings. You'll keep your access until the end of your billing period.
Q5: Is my payment information safe?	Absolutely. All payments are processed securely through your app store — we never store your payment details.
Q6: What is Local Pickup?	Local Pickup lets you arrange to meet a buyer in person to hand off your item. It's a great option for larger items or when you prefer to skip shipping.
Q7: What is Porch Pickup?	Porch Pickup lets you leave an item on your porch for the buyer to grab — no need to be home. It's contactless, easy, and convenient.
Q8: Can I pay inside the app?	Yes! You can send and receive payments right in the app using our secure in-app payment system. No need to exchange cash or use a third-party app.
Q9: What are Buyer and Seller tags?	Buyer and Seller tags show up on profiles so everyone knows how active someone is in the community. They help build trust and make it easier to connect with reliable members.
Q10: What are Chat Safety Options?	Chat Safety Options let you report, block, or flag a user directly from your conversation. Your safety is our priority, and we make it easy to take action if something feels off.

Section 3 - Seller Rules

Screen Title: Seller Rules

Headline: A few simple rules to keep our community great.

Intro copy: We want buying and selling here to feel safe, fair, and fun for everyone. Here's what we ask of all sellers:

Rules List

1. Only list items you actually own and are ready to sell.
2. Be honest — describe your items accurately, including any flaws or damage.
3. Price your items fairly and update listings when items sell.
4. Respond to buyers in a timely manner. A little communication goes a long way.
5. Honor your commitments — if you agree to a sale, follow through.
6. No prohibited items. See our full list of restricted items in the Help Center.
7. Keep it friendly. Treat every buyer the way you'd want to be treated.

Footer copy: Sellers who repeatedly violate these rules may have their listings removed or their account suspended. Thanks for being a great community member!

CTA Button: Got It, Let's Sell!

Section 4 - Start Selling Free Page

Screen Title: Start Selling Free

Headline: Ready to start selling?

Subheadline: List your first item for free — no subscription needed to get started.

Body copy: Snap a photo, set your price, and your listing goes live in minutes. When you're ready to unlock unlimited listings and exclusive seller features, upgrade to a plan anytime.

Feature Highlights

Icon	Label	Copy
	Easy Listings	List items in minutes with photos and a description.
	Built-in Chat	Talk to buyers right inside the app.
	Safe Payments	Pay and get paid securely in-app.
	Seller Badge	Upgrade to stand out in the community.

Section 5 - Safety & Payments

Screen Title: Safety & Payments

Headline: Your safety comes first.

Subheadline: We've built tools to help you buy and sell with confidence.

Subsection A - Safe, Secure Payments

Heading: Safe, Secure Payments

Body: Pay and get paid directly in the app. Our in-app payment system is encrypted and secure — no cash required, no third-party apps needed. Both buyers and sellers are protected on every transaction.

Subsection B - Smart Meetup Tips

Heading: Smart Meetup Tips

Body (bulleted list):

- Always meet in a public, well-lit place.
- Bring a friend if you can.
- Let someone know where you're going.
- Trust your gut — if something feels off, don't go.

Subsection C - See Something? Say Something.

Heading: See Something? Say Something.

Body: If a listing or user feels suspicious, you can report it right from the app. Our team reviews every report and takes action quickly.

CTA Button: Learn More About Safety

Section 6 - Listing Options: Pickup Methods

Screen/Component: Listing Options - Pickup Methods

Local Pickup

Element	Copy
Label	Local Pickup
Toggle description	Meet the buyer in person to hand off the item. Great for larger items or local convenience.
Confirmation message	You've chosen Local Pickup! Coordinate a meetup time and location with your seller through in-app chat.
Seller tip (tooltip/info)	Tip: Meet in a safe, public spot — like a coffee shop or store parking lot.

Porch Pickup

Element	Copy
Label	Porch Pickup
Toggle description	Leave the item on your porch for a contactless handoff. Easy, flexible, and no need to be home.
Confirmation message	You've chosen Porch Pickup! The seller will let you know when your item is ready to grab.
Seller tip (tooltip/info)	Tip: Snap a quick photo of the item on your porch so the buyer knows it's ready.

Section 7 - In-App Payment Flow

Screen/Component: In-App Payment Flow

Entry Point

Entry point label (on listing): Pay in App

Entry point subtext: Fast, safe, and secure.

Payment Screen

Headline: Complete Your Purchase

Subtext: Your payment is protected. Funds are only released to the seller once you confirm you've received your item.

State Messages

State	Copy
Payment confirmation (buyer)	 Payment Sent! Your seller has been notified. Coordinate pickup or delivery through chat.
Payment confirmation (seller)	 Payment Received! Once the buyer confirms delivery, funds will be released to your account.
Pending state	Your payment is being processed. This usually takes just a moment.
Error state	Something went wrong with your payment. Please try again or contact support.

Help link: How does in-app payment work?

Section 8 - Buyer & Seller Tags

Component: Profile Tags / Badges

Buyer Tag

Element	Copy
Tag Label	Buyer
Display	Shown on buyer profiles

Element	Copy
Tooltip / description	This member is an active buyer in the community.
New Buyer variation	Just getting started — welcome to the community! 🙌
Verified Buyer variation	Trusted buyer with a track record of completed purchases. ✅

Seller Tag

Element	Copy
Tag Label	Seller
Display	Shown on seller profiles (requires active subscription)
Tooltip / description	This member is an active seller. They've agreed to our Seller Rules and are ready to make a deal.
New Seller variation	Just started selling — check out their listings! 🛍️
Verified Seller variation	Experienced seller with great reviews. ★
Top Seller variation	One of our most active and trusted sellers in the community. 🏆

Subscriber-Only Badge

Badge Label: ★ Pro Seller

Tooltip: This seller has an active subscription and access to exclusive selling features.

Section 9 - Chat Safety Options

Screen/Component: Chat - Safety Menu (accessed via "... " or flag icon in chat)

Menu title: Safety Options

Option 1 - Report User

Element	Copy
Label	Report User
Description	Something feel off? Let us know and we'll look into it right away.
Confirmation prompt	Are you sure you want to report [Username]? Our team will review this report confidentially.
Confirm button	Yes, Report
Cancel button	Never Mind

Option 2 - Block User

Element	Copy
Label	Block User
Description	Block this person to stop receiving messages from them.
Confirmation prompt	Block [Username]? They won't be able to contact you or see your listings.
Confirm button	Yes, Block
Cancel button	Cancel

Option 3 - Flag Listing

Element	Copy
Label	Flag This Listing
Description	Think this listing breaks the rules? Flag it and we'll review it.
Confirmation prompt	Flag this listing for review? We'll look into it and take action if needed.
Confirm button	Yes, Flag It
Cancel button	Go Back

Post-action confirmation (generic): Thanks for letting us know. We take all reports seriously and will review this promptly. ❤️

Section 10 - Paywall / Upgrade Gate

Screen Title: Paywall / Upgrade Gate

Scenario A - Free Listing Limit Reached

Triggered when: user tries to add more than the free listing limit

Headline: You've reached your free listing limit.

Subheadline: Upgrade to keep selling without limits.

Body: Subscribers can list as many items as they want — plus get a Seller badge, priority support, and more.

Scenario B - General Upgrade Prompt

Triggered when: general upgrade opportunity

Headline: Unlock everything with a subscription.

Subheadline: Sell more. Earn more. Stand out.

Body: For less than a cup of coffee a month, get unlimited listings, a Seller badge, and exclusive features.
